No 632/31 Ser 2 - Deputy Commissioners Office

21st/24th February 1895

To,

The Secretary to the
Government of Mysore
Mugrae department
Bangalore.

Sir,

In submitting report No. 532/537 - dated 20-12-94/11-1-95 received from the Amildar of Hosgur, making certain proposals regarding the Government Anna Chatram at Hosgur, I have the honor to state that the total Chardik Sanctioned for this Chatram is Rupees 28-6-0, of which Rs 13-14-0 was intended to meet the cost of establishment consisting of Servants, and Rs 14-8-0 for meeting the cost of feeding travellers. Sometime previous to the year 1879-80, the scale of establishment seems to have been revised, but under what circumstances and under whose authority, I

I have not been able to ascertain. Since that date, the only Servants employed in the Chatram have been a Mutsady on Rs 2-6-0 per month, and a sweeper on Rs 3-0-0 per mensem. The Mutsady further gets a daily allowance of half a seer of rice with 4 pies in cash. The balance of the original cost of the establishments, is being carried to the Surplus Funds of the Chatram. The amount intended for feeding is being utilized in doling out raw rations to the needy travellers; but owing to the insufficiency of funds, this relief is being given only during a portion of a month. It appears to me desirable, that the revision recently introduced in all the other Chatrams of the district should be extended to this Chatram also.

2. I beg, therefore, to propose that, in lieu of the present Mutsady a Waterman be employed on Rs 5-0-0 a month without any extra allowances

allowances. Including the Sweeper whose pay is 3Rs, the monthly cost of establishment would thus be Rs 8—0—a. The whole of the balance of the Thasdik namely Rs 20—6—a, may be ordered to be spent upon supplying raw rations to travellers. This would enable the Chabraw being kept agoing throughout the month instead of during only a portion of it as at present.

3. The favor of sanction to the above proposal is accordingly solicited.

I have the honor to be
Sir,
Your most obedient Servant
